

Northern Philippines Collegian Conference 2020

ADVISORY

May 17, 2020

To the saints and churches of the Philippines,

Due to our current pandemic situation and quarantine measures imposed by the government, we are not able to conduct our annual Collegian Training which is usually done on the months of April, May or June of the previous years. However considering the huge amount of free time our young people have and having given a wide access of the technology, we are burdened before the Lord to have an Online Collegian Conference via Zoom. The details of the conference are described below.

May the Lord release our young people and be preserved for our Lord's interest and testimony.

In Him,

Coordinating Brothers

Wearing proper clothing helps in maintaining a proper spiritual atmosphere. Please dress as if you were coming to an in-person conference. (Collared shirt or blouse (for sisters), with out distracting color or design)

We require that you would constantly turn on your cam but be mindful of your background (visual and audio). If there are any noise in your area (e.g. vehicle sounds, animal sounds, or voices of people in you environment) kindly mute your mic to prevent distracting the meeting.
