

WORK ADVISORY
Fellowship Among Churches
Regions 1-6 and NCR

To All the Elders, Responsible Brothers, and Co-workers:

1. Please be advised that we shall have changes in the arrangement to the forthcoming virtual Fellowship Among Churches (FAC) of Regions 1-6 and the National Capital Region (NCR), this month of October.

The compelling feeling we have received from among the churches is the burden to:

- a) Hear the messages as spoken in the ITERO, (i.e. timely, healthy and weighty)
- b) Take care of the blending, -that is the essence of practical oneness enjoyed in the FAC that we have long treasured over the many years.

In this regard, we felt obliged to adjust the schedule and conduct of the FAC and trust the full support and participation of the churches and all the serving saints.

We understand that some areas have already made plans based on earlier announcement. We apologize for this short notice and any inconvenience this may cause. Nevertheless we have no doubt that all these are working together for good to all of us who love God and are called according to His purpose.

Thank you, dear saints, for bearing the cross to accommodate these changes, for the sake of the building-up of the Body. Grace be with us all.

2. The eight (8) messages will come from the International Training for Elders and Responsible Ones (ITERO) with the general subject: 'The Christian Life, the Church Life, the Consummation of the Age, and the Coming of the Lord'.

The English messages will be the replay of the ITERO, while the Tagalog messages will be the direct translation from LSM of the same messages. (There will be no re-speaking from our local brothers as we used to do.)

The messages will be played via Zoom thru a link directly from LSM. This link will be provided by the FTTM to all FAC locations.

3. The Work will announce which regions need to group together for blending. Large Zoom locations, with up to 500 links each, are identified to host the blending conference among the churches in different regions. The schedule of the training sessions are synchronized to allow for corporate message viewing and blending in the break-out rooms, whenever time allows.
4. All saints and gospel friends from 13yrs old and above may attend. No registration fee will be collected. Incidental expenses, i.e. copying, internet, etc., will have to be addressed locally.

5. The saints may attend either or both the Tagalog or/and English sessions.
6. Here is the schedule of the FAC Conference:

FELLOWSHIP AMONG CHURCHES, REG. 1-6 & NCR						
Schedule of Viewing and Blending						
				TAGALOG		ENGLISH

7. Pre-registration is important to plan for the FAC locations and other logistical arrangement. We therefore ask the coworkers in the region and elders in NCR to advise immediately the following data per city/province for grouping purposes:

Tagalog	Expected Nr. of Links
	Expected Nr. of Saints
English	Expected Nr. of Links
	Expected Nr. of Saints

8. Immediately after the event, please submit the actual statistics of the FAC to Brother Timothy Ah through Messenger or send to this cp number (0932-4589008).

May the Lord, the Head of the Body, bring all the churches into His up-to-date speaking. May we be those who have dispensational value to God in the last days to turn the age. And may the Lord bring all the saints into the atmosphere and a fresh spirit of watchfulness and readiness to prepare for the Lord's second and imminent coming through His present speaking.

The mercy and grace of the Lord be with all the churches.
