

October 2, 2021

To our fellow bondslaves and partakers in the tribulation and kingdom and endurance in Jesus.

Dear Brothers,

On November 25-28, 2021, the International Thanksgiving Conference, one of the seven annual feasts of the churches in the Lord's recovery, is going to be hosted by the Living Stream Ministry via webcast. We are all encouraged by the brothers in LSM to arrange specifically for the prophesying portion to have blending among churches in countries with the same time zone. For more than a year now, we have been coordinating with the churches in Singapore, Malaysia and Perth, Australia to make the arrangements for viewing together and prophesying.

In the recent International Memorial Day Conference (MDC) held in May 2021, some saints from Taiwan, Hong Kong, and Thailand joined the blending giving us a total of 9,454 saints participating. We can testify that we have received much spiritual supply and great encouragement through this blending arrangement. It was a great encouragement not just to the participating saints but also to the coordinating and serving ones. What a blessing to be blended with our fellow members from other countries, and how sweet is the fellowship in the coordination among the serving brothers and sisters! Little by little the Lord is ushering us to the reality of His Body, to the manifestation of the One New Man!

Having such a wonderful experience of blending, we encourage all the churches in the Philippines to join this blended viewing and prophesying with our dear brothers and sisters from our neighboring churches in Singapore (SG), Malaysia (MY), Perth (Australia)(AU). The messages will be spoken in English and will be translated to different languages. There will be translation in Burmese, Cebuano, Chinese, English and Tagalog. Schedule is arranged as follows:

November 25, Thursday	Message 1 at 7:30 PM
November 26, Friday	Message 2 at 7:30 PM
November 27, Saturday	Message 3 at 2:00 PM
	Message 4 at 7:30 PM
November 28, Lord's Day	Message 5 at 2:00 PM
	Message 6 at 7:30 PM

Whilst the main platform that we will use for the blending is Zoom, there will be a streaming via FB live to address the internet connectivity issues in some areas of our country. During the MDC, we had FB live in three languages, that is English, Cebuano and Tagalog. There were assigned brothers to facilitate the prophesying in the FB Messenger Rooms. We are looking at doing the same arrangement.

This conference is open to all and does not have a registration fee. For the sake of technical arrangement, we would be having a pre-registration. The registration team has prepared a list of saints per locality with the names and information of saints who participated in the MDC last May. The registration team has used the information from previous conferences to establish our database so that registration for the next online international conferences will

be easier. There will also be instructions for churches that will be joining this blending for the first time. Registration Guidelines will be attached together with this letter.

As part of the registration, there will also be opportunity for saints to serve in different aspects of the conference such as technical co-hosting, break-out room facilitator (for brothers only) and attendance checkers (ideally per local church). We would like to encourage the serving ones to join our coordination and enjoy the rich experience of fellowshiping and learning from fellow serving ones locally and overseas.

Deadline for sending the filled-out forms (for churches participating for the first time) **and filling out of google sheet** (for those who participated before) **is 6:00 PM, October 25, 2021.**

Only by being established in the present truth through the ministry of the age can we cooperate with the Lord so that He can fulfill His eternal economy, within us and through us. How we need to closely, organically follow the ministry of the age by receiving its up-to-date speaking and at the same time have wider view of the Body by being able to fellowship, blend, coordinate and be built up with other members of the universal Body of Christ. May the Lord have His way within us and through us, for Him to become in us what He should be for the accomplishing of His eternal economy.

In Him and for the accomplishment of His heart's desire,

Coordinating Brothers
