

TOLT 2026

Letter to the Churches in the Philippines

September 15, 2026

To: All the Churches in the Philippines

Subject: TOLT 2026 – The Book of Genesis, Part 5

Dear brothers,

We are pleased to announce Tour of a Lifetime 2026, to be held from December 20 to 25, 2026, with the subject The Book of Genesis, Part 5. Check-in and orientation will be on December 20, and the twelve messages will begin on December 21.

Through this time, we expect the young people to be helped to enter into the divine revelation in Genesis, receive the supply of life, and gain a further appreciation of Christ and God's purpose.

The conference will be conducted by conference location. All participants are expected to join the corporate living and take part in all the messages, small groups, and activities under the care of the serving ones. The specific arrangements for live speaking, Zoom transmission, clusters, and local speaking will be announced separately for each conference location.

We encourage the churches to pray and fellowship concerning the qualified young people, from Grade 12 through college age, and to shepherd them to participate in this time. Each conference location is encouraged to gather at least fifty registered young people.

Churches that intend to host a conference location should confirm on or before October 31, 2026. Registration will be by church, cluster, province, or conference location; no individual registration will be accepted. Each location will determine its registration fee and final deadline. November 22, 2026 (Lord's Day) is the suggested registration deadline.

May the Lord bless this time and release many young people throughout the Philippines to be constituted with the truth, supplied in life, and perfected for His testimony and move.

In Christ,

The Serving Ones

Tour of a Lifetime 2026
ADVISORY

Dear brothers and sisters,

Details for the upcoming Tour of a Lifetime 2026 are as follows:

Date:	December 20-25, 2026
Subject:	The Book of Genesis (5)
Conference Setup:	By conference location. Specific live, Zoom, cluster, and local-speaking arrangements will be announced separately for each location. Individual viewing is not allowed.
Check-in Time:	<u>December 20 (Lord's Day)</u> , time varies by location. Participants must be settled before the orientation at 7:00 PM.
Check-out Time:	<u>December 25 (Friday)</u> , after the final small group, lunch, and cleaning, or as arranged by the conference location.
Qualification:	<u>Grade 12 to college-age young people</u>
Registration:	By church, cluster, province, or conference location. No individual registration is allowed. Registration is by conference location. <i>Refer to the Registration Guidelines attached.</i>
Donation Fee:	To be determined by each conference location.
Registration deadline:	To be determined by each conference location. Suggested date: November 22, 2026 (Lord's Day)

CONFERENCE LOCATION GUIDELINES:

- Each location is encouraged to have a **MINIMUM number of fifty registered young people**. If a location does not reach this number, they should send their young people (YP) to other churches/locations that are able to accommodate them. Such arrangements should be made in fellowship among the churches and their respective leading ones.
- Each location should have **full-time, stay-in Serving Ones** to oversee the young people. They must join the sessions, small groups, and activities, and participate in the corporate living. Locations with many participants should provide enough serving ones for proper care and shepherding.
- Each location should also **designate a statistics in-charge** who can submit attendance and other requested statistics throughout the conference.
- In addition to the serving ones, each location should arrange saints for cooking, meal preparation, cleaning, technical support, and other practical services, so the serving ones can focus on shepherding and overseeing the young people.
- Because some messages may be transmitted online, every location must have stable internet and suitable audio-video equipment. A backup arrangement for power or internet interruption is strongly encouraged.
- Each location should provide suitable accommodation and maintain a proper spiritual atmosphere for the young people and serving ones throughout the conference.

SETTING UP CONFERENCE LOCATIONS:

Churches or regions that plan to host a conference location should bring the matter into fellowship with the coordinating brothers. The suggested number is fifty registered young people per location.

ALL proposed conference locations **must confirm on or before October 31, 2026**. The conference-location confirmation form click here: <https://tinyurl.com/TOLT2026ConfLocForm>

For the complete list of confirmed locations and contact persons can be accessed here: <https://tinyurl.com/TOLT2026ConfLoc>.

More conference locations may open after the publication of this advisory. If there are any regions with plans to conduct the conference at an additional conference location or any inquiries contact the following:

REGISTRATION:

- **Registration is by church, cluster, province. No individual registration allowed.** Young people should coordinate with their respective leading ones concerning the conference location they will join. We encourage the young people to follow the arrangement of their respective locality, province, or region with regards to conference locations.

- Each conference location will determine its registration fee and final registration deadline according to its arrangements. For the registration details by location, refer to the list of Registration contact persons here:
<https://tinyurl.com/TOLT2026ConfLoc>.
- Submission of information and donations should be coordinated with the designated contact person for the conference location.
- All participants' information and payments must be submitted by the deadline announced by the conference location. Late registrations may no longer be accepted.

IMPORTANT REMINDERS:

- All participants must check in at their assigned conference locations and participate in the corporate living. Individual viewing is not allowed, and no Zoom link will be provided for individual use.
- All participants are expected to attend the complete schedule, including all messages, small groups, activities, and practical services.
- Participants should be seated and ready at least five minutes before every session.
- Each location should communicate its own check-in instructions, registration fee, things to bring, and practical arrangements to its registered participants.
